MEMORANDUM FOR: Chief, Contracts Division, OSA/DDS&T

ATTENTION :

SUBJECT : Initiation of New PARs under Contract

1. Enclosed are copies of PAR 247 and PAR 248 (Enclosure #1 and #2) covering the Spare Parts Kits and the High Magnification Lens Set for the Briefing Print Enlarger (PAR 243A). This office is authorizing the initiation of these PARs at the estimated cost figures of [] respectively (Items 1 and 3, Enclosure 3).

2. Also authorized is the expenditure of [] for operational improvements to the RT-12 and RT-24 Processors under PAR 246 (Enclosure #4).

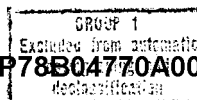

3. There are sufficient unobligated funds in the [] Contract appropriation to cover these expenditures; therefore, no increase in the overall contract funding is required.

4. Reference Items 2 and 4, Enclosure 3: Letters have been written to the recipients of the seven Enlargers advising them of the costs involved, their estimated funding balance in TO #4, [] and requesting authorization to proceed. As soon as authorization is received, your office will be advised to proceed with the contractual changes.

5. Reference last paragraph Enclosure 3: Authorization is granted by this office to charge future administration costs of [] to PAR 201. Recommendation has been made to charge the PAR

Declass Review by NGA.
